Hi Mandy & Stephen,

I don't know what to say. Everyone here has been utterly blown away by the results of the kits. And not only by the incredible craftsmanship and attention to detail, but also by the sheer fact that you were able to pull it off in less than a week. (And with the endless changes and curve balls we threw you.) Our Directing Manager said it was literally the best pitch kit he has ever seen. But hopefully that will soon change once Crystal Cruises invites us to pitch work and then you can work with us to one-up this kit with an even better one. So I think I speak for everyone here at BBDO SF when I say, Colorbar, you are truly one-of-a-kind miracle workers.

From me, personally, I just want to say a huge thank you for all the tireless work you put into this project. The level of professionalism and optimism you showed in the face of adversity, especially when we kept changing components and got materials to you late, was second to none and greatly appreciated.

It's an understatement to say we couldn't have done it without you. I seriously do not know who else we would have called.

I hope you get to rest and enjoy the holiday weekend!

All the best,
Ryan
